

Internship Application

7 Stages offers Administrative & Production Internships throughout the year.

Administrative opportunities range from marketing, community relations, event planning, development, literary research and dramaturgy. We want to offer you experience in how to run a non-profit theatre! This is a twelve to twenty-hour workweek scheduled during our office hours: 10am – 6pm Monday through Friday. Additionally, you may be asked to work special events in the evenings and on weekends. Full time (40 hours) positions are also available on a limited basis.

Production opportunities are tailored to your desires as a rising theatre artist. The hours vary according to our production calendar. We use our production interns as Production Assistants working with the production team of designers, tech crew, and actors.
